About Our Company

NOVU, the name originates from a French word called Art nouveau, which means New Art. It is an international style of art, architecture and applied art, especially the decorative arts that were most popular between 1890 and 1910.

NOVU INTERNATIONAL was launched with the idea of offering state-of-the-art products for Handicraft Items, Home Decor Products, Decorative and Gift Items, Furniture and Lighting. Home Decor, Furniture and Lighting products play a major role in defining the ambiance of a space. Our products are an effort towards this. The company comprises of two partners with experience in varied fields ranging from Accessory/Product designing, Architecture/Interior Designing to Hospitality and Management.

Vision

NOVU INTERNATIONAL has set its sight on expanding the business, both within the Indian and International markets. There will be continuous efforts towards achieving this mission.

Mission

- Creating innovative products
- Supplying excellent and quality products
- Achieving customer satisfaction and developing a strong and co-operative relationship with them
- Supplying customers globally

About Us: Senior Management

INDRAJIT HIRA **Managing Partner**

Indrajit Hira is a designer with more than 14 years of experience in the field of Home décor, Furniture, and Interior designing. He is an alumnus of the prestigious institution of National Institute of Fashion Technology (NIFT), New Delhi, India. After obtaining his Bachelor's Degree in Fashion and Lifestyle Accessory Design he has worked with many renowned Designers and Architects in India.

In 2010, Indrajit earned his Master's Degree in International Marketing from Heriot-Watt University, Edinburgh, Scotland. Subsequently, he worked as a Business Development Officer with many leading multi-national companies like Ravissant, OMA, and Magpie Retail in the Home Decor/Kitchen industry and enhanced their businesses.

After 14 years of in-depth Industry knowledge and inspired by the opportunity to bring stylish home décor products to the Domestic and International market, Indrajit decided to blend the Indian Handicraft with an innovative contemporary/minimalist art by establishing NOVU International. Serving as a Co-Founder and Managing Partner, Indrajit has been responsible for designing various Product lines and also leads the Manufacturing division to deliver projects with the utmost precision and exemplary quality standards.

About Us: Senior Management

INDRANIL HIRA **Managing Partner**

Indranil Hira is a graduate architect with more than 22 years of experience in delivering projects in the sector of Residential, Institutional, Commercial, Hospitality, Retail, Exhibitions, etc. He is an alumnus of the prestigious institution of School of Planning and Architecture (SPA) New Delhi, India, and also a member of the Council of Architecture. He has a wide range of Domain knowledge which includes Architecture, Interior Designing, Manufacturing, Engineering and Design Management, Operations Management, BIM, Technology Evaluation, Strategy and Deployment, CRM, Supply Chain Management.

Indranil serves as a Co-Founder and Managing Partner at the organization and has been associated with NOVU INTERNATIONAL since its inception. His rigorous design knowledge and thorough supply chain management understanding always help NOVU to perform its best in this competitive world. His expertise lies in driving strategies to tightly linking the relevance and responsiveness of the customer experience as being the key ingredients in turning leads to potential clients and further into actual customers.

He has a vast experience in associating and delivering projects for clients like Hirsch Bedner Associates, Anshen Allen (now Stantec), Broadway Malyan, Ellerbe Becket, Harley Ellis Devereaux, Little Diversified Architectural Consulting, WATG, etc.

About Us: Senior Management

ARPITA SARKAR Chief Advisory Officer

Arpita Sarkar is a graduate architect with more than 20 years of experience in delivering projects in the sectors of Residential, Institutional, Public, Commercial, Industrial, Hospitality, etc. She is an alumna of the prestigious institution of TVB School of Habitat Studies, New Delhi, India now USAP GGSIPU (University School of Architecture and Planning), and also a member of the Council of Architecture. She has worked with some of the most reputed Indian and International architects and firms. She has a wide range of Domain knowledge which includes Architecture and Interiors, Engineering services, Manufacturing, Project Management, Project Co-ordination, and Delivery, Operations Management, Resource and Team Management, Account Management, and Client Relationship Management.

Arpita serves as Chief Advisory Officer and has been a key factor in researching and understanding market trends and subsequently developing strategies,. Her expertise lies in exploring product lines, Geographic markets, Sector Identification, Identifying risks, and advise accordingly.

She has a vast experience in various sectors especially in the Hospitality and has associated and delivered projects for clients like Hilton, Regent, Alila, Six Sense, Kempinski, Pullman, Raffles, W, Jumeirah, etc.

About Us: Core Team and Infrastructure

Our well-equipped manufacturing unit is capable of producing a huge amount and high-quality products within the deadlines. Our Team is always ready to handle any challenges with extreme passion and enthusiasm and deliver it with the highest customer satisfaction. From procuring raw material, finishing, quality check to packaging, every team member has in-depth knowledge in their respective core areas. And their skills and knowledge are fundamental assets for NOVU INTERNATIONAL. Every artisan, helper, designer, etc. is highly trained to handcraft and inspect every unit carefully to achieve the high-quality products that we promise to deliver.

Novu has a factory with a built-up area of 18,000 sq.ft. and with a possibility of additional expansion of up to 70,000 sq.ft. Our products are perfect examples of the blend of modern, contemporary, and minimalist designs with traditional manufacturing techniques.
